1 happened again, you know that we'd certainly be in
2 trouble.

3 Q. Sure. Do you remember, other than damage to the
4 fifth wheel, whether there was any other damage to
5 Truck 8400 as a result of that event?

6 A. I don't remember, but I wouldn't think so. We've
7 had that happen before. Right on our own property it
8 generally happens. A truck can't hook up, the driver
9 pulls out, the trailer falls down.

10 Q. Let me show you Exhibits 5 and 6 to your
11 individual deposition which was taken in May of this
12 year. Did Trans-Spec receive copies of either of
13 those documents in connection with its acquisition of
14 the Sterling Trucks?

15 A. Yes.

16 | (Witness reviews documents.)

17 Q. Did it receive both of them? Let me rephrase --
18 let me ask the question a little differently.

19 Trans-Spec received some of the Sterling
20 Trucks in December 1999; right?

21 A. Yes.

22 Q. And it received some of the trucks in
23 January 2000; correct?

24 A. Yes.

1 Q. And Exhibits 5 and 6 on their face, one of them
2 pertains to engines delivered before January 2000, and
3 the other pertains to ones delivered after January
4 2000 or in and after January 2000; correct?

5 A. This is just No. 5.

6 Q. No, they're five and six. One of them pertains
7 to deliveries I believe made after 1997, and one of
8 them pertains to deliveries made after January 1,
9 2000; correct?

10 A. Yes.

11 Q. Did Trans-Spec receive the document that was
12 marked Exhibit 5 which is effective with sales to the
13 first user on or after January 1, 1997? Did it
14 receive that document or a copy of it with the
15 Sterling Trucks that it took delivery of in December
16 1999?

17 A. I believe it did.

18 Q. And the Exhibit 6 which pertains to sales to the
19 first user after January 1, 2000, did it receive a
20 copy of that with the Sterling Trucks that it took
21 delivery of in January 2000?

22 A. I believe it did.

23 Q. Other than Exhibits 5, 6, and 3 to your
24 individual deposition back in May, and I'm showing you
